Abordant le thème de la fraude, il a insisté sur les pierres précieuses et le café. Ceux qui exploitent et exportent clandestinement les richesses du pays sont assimilés aux fauteurs de troubles. L'unité est le pilier du développement, a t-il martelé. Il est malheureux de voir une autorité d'hier devenue aujourd'hui réfugiés s'est-il apitoyé en ajoutant que ceux qui se sont exilés aux Rwanda sont assimilés aux prisonniers. Et de lancer un appel vibrant à tous les exilés de retourner au bercail. Ils les a aussi conseillé à ne pas prêter oreille à

ceux qui les déstabilisent en leur arguant d'attendre l'issue des négociations alors qu'elles sont déjà terminées. Seulement a-t-il nuancé il reste l'opérationnalisation d'un rapport définitif qui va inclure et le dialogue inter burundais et les négociations d'Arusha. Ce rapport servira alors de feuille de route pour les élections de 2020.

Le Président de la Chambre Basse du Parlement a également démontré que même la constitution est issue d'Arusha certaines dispositions étant devenues obsolètes, c'est l'affaire des Burundais de retoucher la constitution pourquoi les pays occidentaux s'en mêle, s'est- il interrogé. Le Numéro Deux Burundais a également recommandé l'usage à bon escient de la récolte. Il leur a aussi exhorté de cultiver tout au long de l'année en usant la technique d'irrigation. Inutile de prendre des congés en matière agricole alors que le ventre réclame toujours à manger, a-t-il expliqué en conseillant aussi la diversification des métiers. Après les Tavaux communautaires le Président de l'Assemblée Nationale s'est dirigé au stade de Bukeye pour distribuer une aide alimentaire aux riverains de la foret de la Kibira. Mais avant cet œuvre charitable, il leur a prodigué des conseils allant dans le sens de protéger cette ressource naturelle, étant donné que, au mois d'août chaque année la foret de la Kibira est brulée. Il leur a exhorté alors de surveiller tout malfaiteur et à les dénoncer.
